

Authorization to Release Educational Records Form

Royal River Casino and Hotel is a firm advocate of Education. All job descriptions that require a High school Diploma or GED education will allow perspective employees to obtain their GED with the assistance of the FSST GED Program. This release will allow Royal River Casino's Human Resources department to stay up to date with the FSST GED Program on employee/student's progress in order for the student to maintain employment at Royal River Casino & Hotel.

Instructions: This form will be used to allow Royal River Casino & Hotel access to GED student education records. Without a signed form on file, no information can be released to or discussed with any entity, except the student.
