

**Flandreau Santee Sioux Tribal Health Center
Family Nurse Practitioner**

SUMMARY:

The Flandreau Santee Sioux Health Center (FSST HC) located in Flandreau, SD is seeking a full time Family Nurse Practitioner to join an existing and growing practice of Primary care providers. FSST HC serves as our-patients medical home: offering services such as acute care, imaging, ultrasound and onsite CT, full pharmacy, laboratory, case management, optical, dental, behavioral health and an experienced clinical team. This is a unique and rewarding opportunity to work with an experienced team and quality resources to serve and improve the health status of the Native American community.

This position will provide patient-focused primary care services to patients at all stages of life including pediatrics, school-aged students, young adults, women's health, adults and geriatric with a focus on preventative care. Responsibilities include conducting comprehensive physician exams and health assessments, diagnosing and treating acute and chronic illnesses, providing postnatal care and health education. This care will be delivered independently and in collaboration with other providers. This position will have a predominate focus in diagnosing and treating acute and chronic illnesses as part of supporting the acute care and primary care clinic needs.

EDUCATION AND/OR EXPERIENCE:

- Graduate of an accredited Nurse Practitioner program
- Experience in ambulatory care and/or acute care
- Experience in tribal health, rural medicine and federally qualified health centers (FQHC) a plus
- Computer and Epic experience preferred.

QUALIFICATIONS: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Current SD license to match degree; Prescriptive privileges.
- Must submit to and pass pre-employment alcohol and drug testing
- Must submit to and pass Public Law 101-630 background check
- Must have a valid drivers license.

Position offers:

- Outpatient care in medical home model
- Monday-Friday (8a-5pm)
- No weekends and no on call
- Highly competitive salary and benefits
- Setting qualifies for Federal Loan forgiveness
