### BIA Potable Water Grant

September 17, 2024

Dear Tribal Membership,

I am pleased to inform you about the Potable Water Program, which will be offering assistance every three months to ensure that our community has payment assistance towards their water bill. This program is designed to support households in need of help maintaining a reliable supply of potable water.

Once you have submitted a complete application and water bill, we will calculate the amount we will pay directly to your water company. **This assistance can be used once every 3 months.** *For example:* if you received assistance during September, you will be eligible for assistance again during December.

Please contact the Housing Department for more information on how to apply or if you have any questions. You can also find an application to print on the Tribes website: [www.fsst-nsn.gov](http://www.fsst-nsn.gov). Your participation is important, and we hope this program provides much-needed relief for our community.

Thank you for your attention, and we look forward to supporting you through this grant.

Sincerely,

Tyler Rambeau  
HAF / Administrative Assistant
